**SUBJECT: On-line Coach Course Option**

There may be occasions where it is not practical to have a high school coach sit through an eight hour coaching principles session to meet the CIF requirement by December 31, 2008. There is a CIF approved on-line course available. It still takes approximately eight hours and it is not cheap, \$105, but it is easy to access:

1. Go to [www.asep.com](http://www.asep.com) (American Sports Education Program)
2. Click on "Course Catalog"
3. Click on "Online Course With Print Materials" under "Coaching Principals"
4. Scroll down to California Interscholastic Federation and click on "Choose"
